BESPOKE SERVICE

At Maison Henry Bertrand we have been providing this service for many years helping our customers fulfil their project. We help customers who could be looking for a unique fabric, an elusive design, something of their own creation or recreating an archive piece. We deliver textiles to fit all these requirements.

We offer a large selection of designs that are available to be used as is or can be adapted. These then can be woven in a broad range of weaves, weights, grounds and constructions. Some are available from minimum orders of 5m.

Colours can be customised from the extensive yard cards available.

1.

Pick a Design

- Choose one of our designs
- Adapt one of our existing designs
- Using your own existing design
- Create a new design from scratch

2.

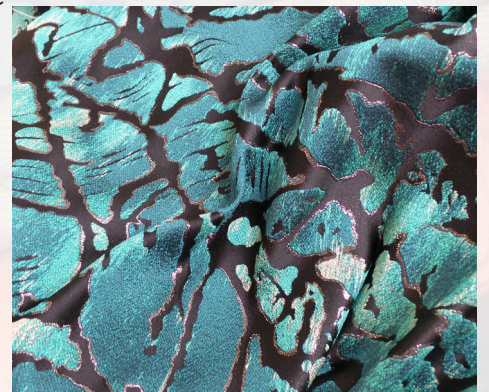

Pick the Construction

Designs can be woven using various construction techniques, including brocades, damasks, jacquards, cloques and decoupes.

Choose the:

- Construction

- Composition
- Weave effect and Texture
- Ground type
- Weight

3.

Picking Colours

Choose colours from our available yarn cards. If you are after a specific colour it is important to be aware of how weave and construction can affect yarn colour.

4.

Strike-Offs and Sampling

Strike-offs and sampling are available to test colour, construction, weave effect and texture or for you to do your own testing if required. Strike-off can be woven at a small cost to help your decision for production

We Also Offer...

CUSTOMISABLE PLAINS

1.

Yarn Dyed Plains

These can be woven in a range of constructions, weights and compositions in custom colours

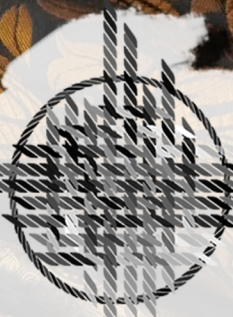

2.

Piece Dyed Plains

We have a vast selection of qualities that are available for dyeing in your own colour from a minimum of one piece.

SPECIAL CONSTRUCTIONS

With our extensive experience in weaving we can create or source fabrics to fit your requirements.
