

# REGENERATIVE FASHION HUB

Participatory  
Fashion Knowledge  
Exchange Workshop

19 March 2024, 2-4pm

## Join us at the Regenerative Fashion Hub for a Participatory Fashion Knowledge Exchange Workshop

We invite fashion designers, brands and retailers to participate in a half-day workshop facilitated by Chris Grantham from Regenovate, where we will share our work and exchange ideas around the future fashion experience.

We will explore what participatory fashion might offer customers in the retail experience through an enhanced sense of place and community, craft and co-creation and the opportunity to transform and renew their relationship with loved fashion items.

Rich Mix
